Peek-a-Boo Surprise Instructions

Peek-a-Boo! The My First Bubbles™ Peek-a-Boo Surprise is an interactive toy that teaches toddlers how to make bubbles all by themselves! Toddlers pull down on the chunky handle and the Whale pops up and blows a non stop ocean of bubbles! Bubbles continue to blow as long as the handle is held down!

Installing the batteries:

Battery installation should be done by an adult.

1. Loosen battery door screw with a Phillips head screwdriver.
2. Remove battery door and place 2 "AA" batteries as indicated in the battery compartment.
3. Replace battery door cover and tighten screw. Do not overtighten.

How to fill with Bubble Solution:

1. Locate fill Spout on the back of the toy and unscrew cap. (Illustration 1)
2. Remove Easy Fill cap & foil from bubble solution bottle and then re-attach Easy Fill cap.
3. Insert Bubble solution bottle with Easy Fill cap into Spout & squeeze gently.
Note: You can check bubble solution level by looking at the seaweed fill window located next to the Spout. **Do not overfill.** (Illustration 2)
4. Screw cap back onto Spout when full.

How to Make Bubbles:

1. Pull down the handle and the whale will pop up! Hold the handle down and the whale will begin to blow bubbles. For the first use, it may take up to 30 seconds for bubbles to begin to blow. (Illustration 3)
2. Continue to hold down the handle for a continuous stream of non-stop bubbles.
3. Repeat steps 1-2.

Special Notes:

1. Always install new, fresh "AA" batteries before putting bubble solution into product.
2. Do not immerse toy in water. To clean product, gently wipe the surface with a damp cloth.
3. If toy will not be used for long periods of time, empty bubble solution, remove batteries and store indoors.

This toy works best with any premium brand bubble solution.
